Out with the old – In with the new!

Well not exactly! Your RMT recently held a combined Skype conference call on January 21st. New members joining the team are Lora Wright, Jan Nolte, Sandi Wright, Dennerly Martinez and Associate member Jackie Compton. With the regional boundary changes coming on soon we had tons to communicate to the incoming team members. They are up to speed and ready and willing to move Region 5 forward once again.

Our current Financial Coordinator is moving to Hilton Head with her husband in the spring so we're looking for someone to fill her shoes. She has the position down to a science and can easily pass along the information to a willing volunteer.

Sweet!

Don't miss the Regional Membership Meeting on Friday of contest weekend. Catch up with old friends, meet your new management team, win boutique dollars and participate in the education class with Moira McGhee as guest faculty. The fun and frivolity begin at 1:30 p.m., leaving plenty of time to eat dinner and get to the quartet contest at 6p.m.

5-ES will be here before we know it. Registration forms and tons of information including faculty bios and class descriptions will soon be on our regional website. Get it on your calendar NOW! It's August 3-4, 2012 in Springfield, Illinois at the Abraham Lincoln Hotel. All classes will be in the convention center, which is connected to the hotel. There are classes for everyone: directors, assistant directors, section leaders, quartets, PVI's, visual teams – you name it! Wait until you see the class listings?! It's going to be one our best educational events EVER! Don't miss it!

Did You Know?

For all information about convention weekend, including YWIH chorus, webcast, new boutique offerings, regional songs to be sung, chorus dinners, and especially all the where's and when's for the contest, see the Region 5 Contest bulletin, linked on the Region 5 website and coming to your email inbox. KUDOS to the RCSC for doing a FANTASTIC job on the contest! We just know it's going to be awesome this year!
