# July RMT Update

Happy Summer Region 5!

Even while many of you are enjoying vacations at the beach, hiking in the cool mountains or floating Missouri rivers, your RMT has been hard at work to make this the BEST region in this organization! Wait until you hear what's happening in July!

First and foremost is the Music School with Darlene Rogers on July 30 and 31<sup>st</sup>! This beautiful woman is a voice expert in every way and you'll love the way she makes it all seem so easy! Many of you will recognize her voice from the Sing Baby Sing CD's. One of her

more recognizable successes is the famous Rumors quartet but she has amazed her students at IES and countless other vocal seminars for many years. She is a real professional with a deep commitment and love of our barbershop craft. Don't miss this!

The deadline for Regular registration (\$35) is July 16<sup>th</sup>. Walk-in Registration is \$40--still an amazing DEAL!..... Send registrations to:

**Bev DuPont at 1021 Amsterdam Drive Ballwin, MO 63011**

Also--Teachers can earn Professional Development credit for attending the Music School. If interested in learning more & how you can receive a Certificate of Participation, please contact Peggy Leon at [leonleon@charter.net](mailto:leonleon@charter.net)

Contact Becky McDuffee [mcduffbe@illinois.edu](mailto:mcduffbe@illinois.edu) to sign up for the lip synch contest on Friday evening. Get your act together now and have a blast! It's a great opportunity to perform without knowing the notes or words! Sounds strange doesn't it?! Our judges - Voice 4 Voice - will be happy and willing to take bribes. They will open each session over the weekend. You won't want to miss them as they prepare for their first international competition!

Now get this - There will be an opportunity to shop as well! I LOVE shopping! We will have Laurel Burch handbags for sale during the workshop. This will be a fundraiser for the Young Singers Foundation.

One final **VERY** important reminder: A survey was sent to all Directors/Team Leaders/Presidents and must be completed and returned to Nancy Field by July 15<sup>th</sup>. This deadline is so important to the continuing success of Region 5. Nancy Field is certified international faculty who will be working with your RMT in August and it's imperative that she have the results of this survey by the July 15<sup>th</sup> deadline. Thanks for your understanding and prompt reply.

That's it for July Region 5! See you in Quincy, Illinois on July 30<sup>th</sup>!

Diane Huber, Education Coordinator for the greatest Region **EVER!!!!**
